

## + Meat industry Suppliers Guide

When you are looking for a product or supplier information just use the EUROCARNE Suppliers Guide.

### By distribution

The guide is published in all the issues of the magazine EUROCARNE. **4,250 copies** are read by directors or technical personnel of the meat industry.

### Easy to consult

The success of the guide is due to the easy to use advertisers index:

- In alphabetical order by company name or brand
- A well organised product and services guide.

### For its price

For only **475 € a year** your business will be in the listing with all main brands. This price includes the yearly subscription to the magazine and its digital edition.

### For its impact

The Guide is reproduced in full in the EUROCARNE digital edition.

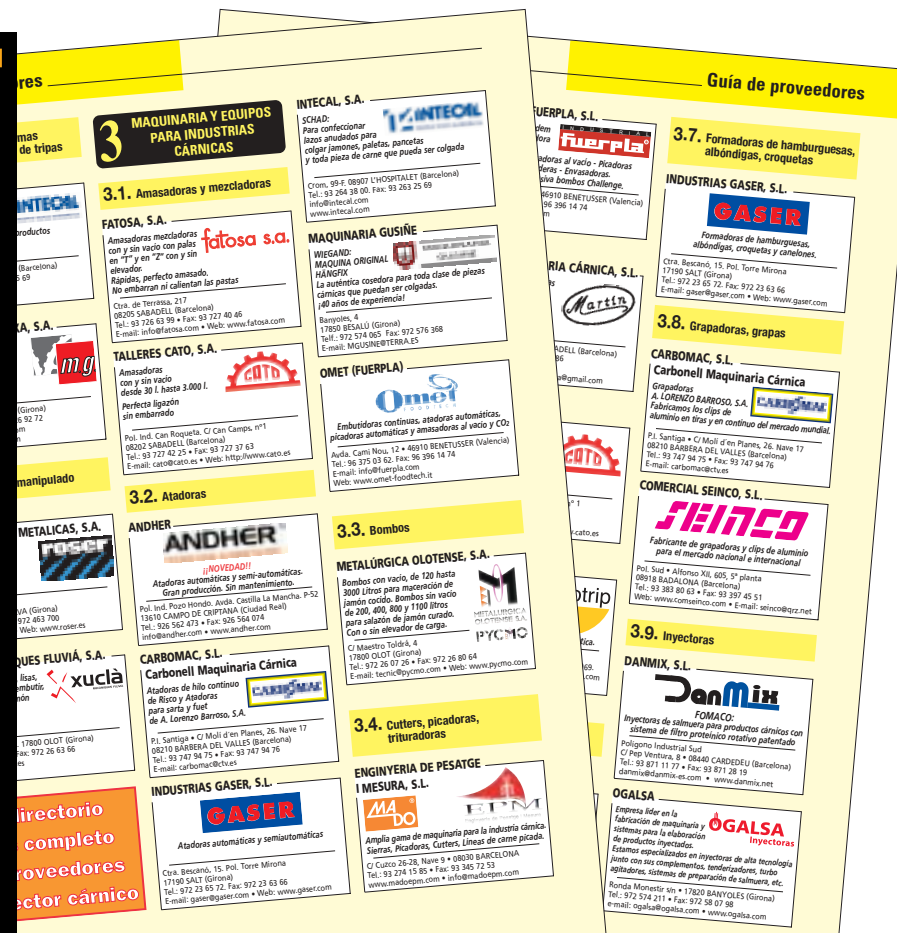

Our readers can communicate with the advertiser or send them an e-mail with just a simple click.
